AREA OF EXPERTISE

Kevin Brink, Senior Vice President, was the company's top producer in 2006 and was awarded "Broker of the Year". He and his teams are known for their diligence, persistence and dedication to each and everyone of their listings. His teams, which are assembled according to the needs and specifics of each assignment, consist of Senior Members of the Colliers International/Minneapolis organization.

Kevin's experience in commercial real estate spans 19 years, focusing solely on investment sales since 1995. In recent years Kevin was personally responsible for closing office, industrial and retail transactions of over 7 million square feet with a market value over \$450 million.

As a leader in the industry, Kevin excels at sales, acquisition, management, and leasing of income-producing property for various institutions, public funds and private capital. This unique and diverse background gives him the expertise needed to facilitate all phases of real estate dispositions. Kevin's strengths are creating thorough marketing campaigns, controlling every phase of the disposition process and maximizing his client's goals and objectives.
