AREA OF EXPERTISE

A seasoned professional with over 20 years experience in commercial real estate, John Johannson is accomplished in all areas of the industry, including development, brokerage, sales, finance, and construction. As Senior Vice President of Retail Leasing and Brokerage, John oversees the leasing and marketing of all properties in Colliers International's retail portfolio.

His diligence and extensive knowledge of the marketplace have resulted in the sale or leasing of over ten million square feet of retail/commercial space since 1990, and in the sale or purchase of approximately 370 acres of commercial land.

John and the Colliers International team represent institutional owners with a leased and managed portfolio of approximately three million square feet. John is also active in the investment sales sector, having been involved in the sale of approximately 12 shopping centers exceeding 1,200,000 square feet within the past seven years.

Additionally, John is the principal, owner, developer, and manager of a retail portfolio of roughly 1.2 million square feet. The properties are located throughout the Twin Cities metro area and in the central valley of California. Including the currently owned portfolio, John has developed roughly three million square feet of owned retail space.
