## AREA OF EXPERTISE

As an Associate in Colliers International's Office Brokerage Division, Danielle Loffler specializes in the representation of both tenants and landlords in the sale and leasing of commercial properties located throughout the Twin Cities Southeast metro.

Danielle is a hard-working, dedicated real estate professional who is responsive to her clients' needs. Her responsibilities include site search and selection, listing and showing properties, preparing client proposals and presentations, and obtaining detailed, market-specific information such as vacancy, lease expirations, transaction data, and ownership records.

Danielle is currently part of the leasing team for The Oaks Business Park, a master-planned 650,000-square-foot mixed-use property in Oakdale, MN developed by Carlson Real Estate Company. More recently, Danielle has discovered a gift for working with non-profit organizations in their search for or disposition of space.

In 2007, Carlson awarded Danielle's team "Deal Maker of the Year" for their work in leasing a 60,000-square-foot single story office building to Hartford Insurance.

## COMMUNITY INVOLVEMENT

- University Challenge and Developing Leaders
- Committee Member, MNCAR Community Involvement

*"Throughout the whole process, Danielle has been great. Her professionalism, patience, perseverance, attention to detail, and especially her desire to make sure we found the right fit for us was greatly appreciated."*
