AREA OF EXPERTISE

As an Associate in the Colliers International's Retail Brokerage division, Molly Murnane facilitates the real estate needs of both tenants and landlords in the Twin Cities. With a keen sense of business and in-depth market knowledge, Molly provides her clients with impeccable levels of customer service.

Molly understands the importance of providing accurate market knowledge to her clients in a timely manner to assist them in developing sound real estate strategies. She works arduously to maintain her knowledge of activity and trends within the local retail market, ensuring that her clients have all the data necessary to make educated real estate decisions.

Molly began her career in commercial real estate as a Research Intern at Northstar Partners (now Cushman & Wakefield). Her innate ability and excellent performance earned her a promotion to Retail Associate at the company. Prior to working in commercial real estate, Molly was employed by The Esquire Group, where she sharpened her market research, communication and accounting skills.

Molly holds a bachelors degree from the University of Minnesota-Duluth and is actively involved in many industry associations. She was instrumental in founding the Minnesota Commercial Association of Realtors' (MNCAR) Emerging Brokers program and worked with Camp Heartland in planning events in brokerage community.
