AREA OF EXPERTISE

As an Associate in the industrial brokerage division of Colliers International, Andrew Odney provides exceptional sales and leasing service for clients in the Twin Cities northwest market. He has over 6 years of experience and \$26 million in total considerations.

Andrew conducts extensive market research, actively investigates available space, and keeps in close contact with current and prospective tenants to remain apprised of market shifts and changes. This solid, in-depth knowledge has contributed to Andrew's success and the sale and lease of approximately 1 million square feet of space. With a wealth of market knowledge, Andrew provides sound advice to assist owners and tenants with their real estate decisions.

Andrew tracks detailed market-specific information, including vacancy, lease expiration, transaction data and ownership information, and applies the data to his marketing plans.

With an extensive background in customer service and sales, Andrew caters to his clients' needs, addressing all requests with efficiency and professionalism which has led to lasting client relationships. Andrew has represented and completed transactions with notable clients, including Dal-Tile, Ecolab and Carlson Real Estate Company.
