AREA OF EXPERTISE

As an Associate in the Industrial Sales and Leasing division of Colliers International, Eric Rossbach provides exceptional service to tenants and owners in the Twin Cities industrial market. Eric specializes in the south and southeast metro submarket, and currently represents a portfolio consisting of over 1.1 million-square-feet, with a total consideration of \$23 million.

Eric's knowledge of the local market makes him an invaluable asset to the Industrial Brokerage team. He aggressively canvasses the market to identify new businesses and cultivate prospective tenants. Eric assesses vacancy, lease expirations, transaction data, and ownership information in order to provide his clients with the most relevant data. He also leverages Collier's first-class research and marketing teams to provide exceptional value to his clients.

Maintaining contact with both current and prospective clients, Eric seeks to develop ongoing relationships to better meet his clients' commercial real estate needs.
