Dennis Heieie is the Chief Financial Officer of Welsh Property Trust, LLC, and holds his Series 27 license.

With over 25 years of financial management experience, Dennis has proven abilities to build and manage efficient teams, develop and execute a wide variety of projects, and communicate effectively with a diverse group of clients and team members. In his current position, Dennis coordinates the operation of the internal backbone of Welsh Property Trust, LLC, including Corporate Accounting, Property Management Accounting, Asset Management Accounting, Risk Management and Information Systems. Dennis is an integral member of the senior management team, ensuring that operations run efficiently and profitably. Dennis is responsible for all of the company's budgeting, cash management and financial reporting, as well as its insurance and risk management policies and procedures.

Prior to joining Welsh, Dennis was Portfolio Controller for General Growth Properties, where he was responsible for accounting and financial reporting to third-party clients. Prior to General Growth, Dennis spent five years working for Target Stores in various financial capacities, and prior to that, worked Coopers & Lybrand within their audit staff.

Mr. Heieie graduated from Minnesota State University, Mankato with an Accounting degree. Following graduation, he passed the Minnesota CPA exam and continues to be a member of the Minnesota Society of CPA's.
