AREA OF EXPERTISE

As an Associate of Colliers International, Amy Carlson focuses on tenant and landlord representation for new and existing retail projects. Specializing in small shop retail, her portfolio of clients has included leading developers such as Opus, Ryan Companies, CSM, and McGough.

A highly organized, detail-oriented professional, Amy is an enthusiastic team player who approaches each retail project with energy, professionalism, and a strong commitment to improving the value of each retail center through thoughtful, effective tenant placement. An intuitive visionary, Amy has a knack for identifying tenants who are well-suited for a particular retail space, taking into account the needs of both the center and the prospective tenant.

Amy is a graduate from the University of Colorado at Boulder and has been working in the residential real estate industry since 1998. She obtained her real estate license from the state of Minnesota in 2005 and made the switch to commercial real estate when she joined Colliers (formerly NAI Welsh) in 2006.
