Jesse Hodapp Assistant Property Manager

As an Assistant Property Manager for Welsh Companies, Jesse manages the day to day operations of our 1,711,461-square-foot receivership portfolio, which includes all property types.

Jesse strives to provide the highest level of customer service. By maintaining strong relationships he is able to effectively meet and exceed client expectations. Jesse's responsibilities include preparing and managing property budgets, controlling building expenses, coordinating with vendors and reporting financials.

Jesse joined Welsh in 2009 as a Property Management Administrative Assistant and was promoted to Assistant Property Manager in 2010. Previously, Jesse was employed by Cities Management as a Residential Property Manager, where he specialized in the management of town-home and condo associations. With the primary goal of keeping homeowners happy, Jesse worked with the Board of Directors to proactively determine and implement immediate solutions to all issues.

A detail-oriented professional, Jesse provides his clients with thorough and accurate reports and recommendations.
