

Colin Ryan Associate, NAI Welsh

Colin Ryan is an Associate for NAI Welsh. He works with the Corporate Services and Healthcare divisions, providing real estate consulting services to clients of Welsh. He works in close partnership with representatives of NAI Global, a network of national and international commercial real estate firms with global access to 375 offices in 55 countries.

Prior to joining NAI Welsh, Colin served as a Research Analyst for CB Richard Ellis, where he supported over 90 real estate professionals, providing them with customized reports on current market trends in the Chicago area. Before that, Colin completed a commercial real estate internship with Welsh Companies, where he assisted the top industrial brokerage team in the Twin Cities with their leasing efforts.

Colin began his commercial real estate career as a Union Laborer with Ryan Companies. During that time, he worked with many developers, subcontractors, architects and engineers, giving him a well-rounded perspective on commercial real estate.
