

Steve Anderson Sr. Asset Management Accountant

Steve Anderson applies proficient, precise accounting skills to achieve smooth financial operation for properties within his portfolio. As a Senior Asset Management Accountant, Steve is responsible for all of the financial details and processes for a variety of entities.

Education and Training

- Bachelor of Science, Business, Accounting emphasis, MSU

Steve also handles the accounting and coordination of annual audits of the Welsh Midwest Real Estate Fund, Welsh US Real Estate Fund, Welsh CNL Fund I, Welsh Real Estate Fund IV, and the Welsh/Regency Hospitality Fund. He ensures that all fund investors are provided up-to-date, accurate information regarding their investments.

Prior to joining Welsh, Steve spent six years with Coca-Cola Enterprises and served as the Cost Accounting Supervisor. While at Coca-Cola, Steve implemented a new SAP Inventory and Cost Accounting System that streamlined processes in an effort to achieve the highest level of accuracy. He also help responsibility for the manufacturing budgets variance analysis reports and supervised an accounting staff who handled cost and inventory.

During his career, Steve has held the positions of Staff Accountant at GE Capital Fleet Services and Accountant at B. Dalton Booksellers.
