Steve Anderson Senior Asset Management Accountant

Steve Anderson applies proficient, precise accounting skills to achieve smooth financial operation for properties within his portfolio. As a Senior Asset Management Accountant, Steve is responsible for all of the financial details and processes for a variety of entities.

Steve is also responsible for the accounting of the Welsh Midwest Real Estate Fund, Welsh US Real Estate Fund, and Welsh CNL Fund I. He ensures that all fund investors are provided up-to-date, accurate information regarding their investments.

Prior to joining Welsh Companies, Steve spent six years with Coca-Cola Enterprises and served as the Cost Accounting Supervisor. While at Coca-Cola, Steve was involved with the implementation of a new SAP Inventory and Cost Accounting System that streamlined processes to achieve the highest level of accuracy. He was also responsible for the manufacturing budgets variance analysis reports and supervised an accounting staff responsible for cost and inventory.

During his career, Steve has also held positions with GE Capital Fleet Services as a Staff Accountant and with B. Dalton Booksellers as an accountant.
