Randy Raddatz, CPA (Inactive) Assistant Vice President

Randy is a seasoned real estate professional with 24 years of commercial real estate accounting, financing and asset management experience. As Assistant Vice President and Regional Property Controller, he is responsible for managing our Property Management Accounting team, assuring consistency and quality of accounting on all properties and improving the overall efficiency of our Property Management group.

At a previous employer and client of Welsh Companies, Randy established the accounting controls needed to effectively analyze and monitor a large commercial real estate portfolio. He also directed and supervised audits of third-party property managers' operating reports. Additionally, Randy performed asset management duties for a number of properties in the portfolio.

Randy originally entered the workforce as an auditor for a regional CPA firm. Since that time, he has worked for a number of companies, ranging from smaller local companies to national organizations. Throughout his career, Randy has focused primarily on commercial real estate accounting, financing and asset management.

Away from the office, Randy stays involved within the community by volunteering for a variety of youth programs.
